SAFETYCROSS® DRY ERASE BOARDS BRING SAFETY AWARENESS INTO FOCUS

Increase safety awareness in your factory with the help of a magnetic SafetyCross whiteboard. Employees will actively engage with the tracker, emphasizing the importance of safety in the workplace. Features include:

- Four formatting options (31-day, 52-week, 12-month, or 365-day)
- Green, yellow, and red magnets to indicate when safety goals are met or if time is lost
- Customizable headlines and graphics.
